

# Maritime Cargo Surveyor

**Employer:** Norwegian Marine & Cargo Survey AS  
**Address:** Visiting address: Kongensgate 2. 0153 Oslo, Norway  
Postal address: P.B. 67, 0101 Oslo., Norway  
**Phone:** +47 22 42 63 53  
**E-mail:** admin@cargosurvey.com  
**Website:** www.cargosurvey.com  
**Contact Person:** Mr. Capt. Kaare Kongevold:+47 900 59 869

**Work Place 1:** Halså and Glomfjord, which are located between Bodø and Mo i Rana. Nice small communities in the northern part of Norway. Information of the area can be found at the following web sites: [www.meloy.kommune.no](http://www.meloy.kommune.no)

**About the company:** Norwegian Marine & Cargo Survey is an independent supervisory body offering inspections, certifications and various services for a wide variety of products with emphasis on the Agricultural, Petroleum, Petrochemical and edible oil shipping sectors.

Company is performing draft-surveys on most of the Panamax and capsize vessels loading iron ore in Norwegian ports – Our claims handling department are offering their service to most national and international insurance companies. Through our extensive network along the Norwegian coast and our global network of partners, we can offer services for a wide range of customer's requirements. As the only Norwegian inspection company we are a FOSFA and GAFTA member superintendent in addition of being an ISO approved company. Visit our web site: [www.cargosurvey.com](http://www.cargosurvey.com)

**General information:** Due to growing business and a need to strengthen our team, we are now stepping up to two surveyors on each location. We are now looking for a person in fulltime permanent position for our branch in Halså. The task demand is one full time position. The applicant must count on permanent residence in Norway area with Norwegian working conditions.

It might as well be possible to take this position in a 70% engagement, with longer off-periods.

Halså with its beautiful scenery, deep fjords, glaciers and mountains, is an ideal place for candidates who are interested in fishing and other outdoor activities in summer as well in wintertime.

**Information about the position:** Independent inspections and sampling of bulk and tank cargoes in addition to being a loading-master and coordinator in port. Therefore, the applicant must be familiar with cargo handling. As company is heavily engaged in damage surveys, typically on cargo side, on sea and road-transportation the applicant must also encounter to take part in such surveys.

**Position demands:** The applicant must have cargo-surveyor or maritime experience. We prefer ex. deck officers, preferably with experience from oil/chemical tankers, candidates with background as pump man on tankers can also be considered.

The applicants must be authoritative and have interpersonal skills, be fluent in English both orally and writing. Basic computer-skills, we are using MS-office. Driving licence must be held, as service car is available. Applicant must also be committed to learn Norwegian language, working language is English.

**Wages:** NOK 520 000,- gross pr. year. Prospect for further income might be expected.

**Housing:** Employer will assist in finding a room.

**Family:** The employer will assist if you bring your family.

**Application:** Send short application and CV pr. E-mail. Seaman's book. Certificates and other relevant papers must be brought if interview. Please note: Applicants not meeting our demands will not be considered.

**Work Regulations:** Permanent fulltime. Due to its nature, irregular working hours must be expected.

**Application date:** Soonest

**Start date:** June 2021

We are also happy to receive open applications from relevant persons, as it is a steadily demand for our services.
